The image shows a two-part screenshot of the PayPal payment interface. The top part shows the 'Pay with debit or credit card' page with fields for Country/Region (United States), Email (kwhateverhuffman@yahoo.com), Phone type (Mobile), and Phone number (+1). Below these are logos for Mastercard, American Express, Visa, and Discover. A 'Card number' field is partially visible. The bottom part shows the 'Shipping same as billing address' checkbox checked, and the 'Save info & create your PayPal account' slider being turned off. A red arrow points to the slider, and a grey arrow points from the slider to the 'Pay now as guest' button. The 'Create Account & Pay Now' button is also visible.
